TEXAS INSTRUMENTS

READ ME FIRST

Thank you for purchasing a Texas Instruments development tool for our MSP430 ultra-low power microcontroller.

For the latest development software, example projects, quick start guides, and tutorials please visit www.ti.com/tool/<PN>. The part number <PN> of your development tool is printed on the sticker, e.g. MSP-TS430PZ100C.

To preserve our environment we do not include the printed user manual. It can be downloaded from our webpage: www.ti.com/lit/slau278

For technical support please visit the TI Engineer to Engineer community e2e.ti.com or go to www.ti.com/support

Best Regards,

The MSP430 Team
